

## 2022 Grand Finals Information

We are excited to see you at Grand Finals at the **Charleston Area Convention Center and the adjacent Performing Arts Center!** Please see the information below for important information regarding this event. As always, we offer free livestream of all performances and awards ceremonies at [www.livestream.com/encoredcs](http://www.livestream.com/encoredcs)! We invite and encourage family and friends to watch online, especially the elderly, high-risk individuals or those with underlying health conditions. Visit [www.livestream.com/encoredcs](http://www.livestream.com/encoredcs) to view the competition! Our mask policy is based on the local government and the venue at the time of the event. If students choose to wear masks on stage there will certainly be no penalty or deduction.

### **Schedule:**

A tentative schedule is available online and is subject to change based on the number of entries received. A final schedule outline will be posted at least 3 weeks prior to the event. Detailed schedules will be emailed to all studios approximately 10 days prior to the event.

### **Deadline and payment:**

A 50 percent deposit is due one month in advance and full payment is due 2 weeks prior to the event or a \$10 late fee will be added for each routine. Any credits that were won at regionals for Top Groups have been applied to your account. Please note that any gift certificates won at regionals for Overall Group, Highest Scoring Group, or Top Studio can only be redeemed towards group entry fees.

### **Workshop classes:**

Encourage your students to take our 4 workshop classes taught by the judges for a total price of \$60 if registered and paid in full two weeks in advance. The cost is \$70 after the two week deadline. If paying before the deadline please email [Susan@encoredcs.com](mailto:Susan@encoredcs.com) for a price adjustment. Four levels of classes are available and are based on student age (Petite, Junior, Teen and Senior.) Teachers have the right to place students in a higher-level class if they choose. Observer bands will be available for purchase at the event for \$20. Teachers will receive one observer band per room. Class size will be limited. If space allows, students can register at the event for \$70.

### **Title Competition:**

We are excited to announce that a Title winner will be awarded in each age group and each level! For example, there will be a Junior title winner and 4<sup>th</sup> through 1<sup>st</sup> runner-up awarded in Recreational, Competitive and Elite! You must register for Title in advance.

Soloists competing for title will compete their solos during solo competition for their age group and level. Overall Appeal and Showmanship scores determine title placement. The

Top 20 students in each age division and level will be announced at solo awards ceremonies for each age and level. The Top 10-15 (depending on registration) will be invited to the title competition and will be asked to improv on stage. The Top 5 will be asked an age appropriate on-stage question. Students should be prepared to improv in dancewear of their choice and the Top 5 will answer an on-stage question in dressy attire. (Formal wear is not required!)

Results for title are determined by the student's original "title" score received during their solo performance (the combination of overall appeal and showmanship.) Judges will score students 1-10 for improv and 1-10 for on stage question and these numbers will be added to the original title score.

The cost to compete for title is \$50. As a reminder, there are two ways to compete for title at Encore DCS:

- 1) If a student competes only one solo AND enters the title competition, they will be eligible for Overall Solo and Title Winner.
- 2) If a student competes multiple solos AND enters one of them for title, their two highest scores will be averaged for Overall Super Solo and they will be eligible for Title Winner.

### **Standing Ovation Championship:**

The Standing Ovation Championship will be held in all three levels and now recognizes winners in two age divisions for each level (11&Under and 12&Over.) Judges will select up to 10 age 11&Under routines and 10 age 12&Over routines in each level that they would like to see in an Encore performance. These routines will re-compete for large cash prizes! (The number of routines is subject to change based on judges picks and the number of entries received in each level.)

The winner will be selected based on entertainment value, star quality, technique and overall appeal discussed among the judges' panel along with audience enthusiasm. Limit of one routine per studio for each age division and level. For example, a studio can have one age 11 competitive routine and one age 12 competitive routine, but cannot have two age 12 competitive routines. Productions are excluded from the Standing Ovation Championship. A Top production award will be given in each level!
