WHAT WE VALUE

ENCORE EXTREME

TITLE COMPETITION

Dancers who participate in our solo competition are automatically entered to compete for the title of “Mr. and Miss Encore Extreme”. This is how we determine our winners:

- Solos are adjudicated on one level of competition. All styles compete for the same overall title.
- The adjudicated score accounts for 80% of their title score.
- Dancers are observed in classes for technique, retention, effort and class etiquette. This accounts for 20% of their title score.
- Friday night classes and the last class on Sunday are not used towards scholarship or title determination.
- Titles are broken down based on age divisions, similar to our regionals.
- The dancers with the HIGHEST scores are named our overall winners and can come from any age division.
- Title winners will be ineligible for competing for title the following year at Encore Extreme. Winners will receive a scholarship to attend Encore Extreme free of charge and are invited to be an Encore Extreme Class Assistant!

ENCORE EXTREME

GROUP COMPETITION

We invite you to kick off your season by entering your group routines into our group showdown.

- Duet/Trios and Groups of any size are welcome. Productions are the only exclusion.
- You can enter up to 2 duos/trios/groups per age division. Group competition size is limited.
- All genres are welcome.
- After each group performance, dancers are invited back on stage for LIVE judges feedback.
- Adjudications and overall awards will be presented.
- The highest scoring group routine will receive \$1000 cash prize and will be invited to perform in our closing show on Sunday.

DREAM TEAM

MISSION

WHO

We select talented and well rounded dancers who fit the vibe and aesthetic of each season's theme. Prior participation on Dream Team does not guarantee future selection. Not only do we look for talented dancers, but those who represent the qualities of Encore DCS: kind, hard-working, passionate and hungry for dance. Dancers who audition for the Dream Team are observed both on and off the stage and must attend 75% of the convention classes that weekend. The dancers selected for Dream Team give Encore permission to post their headshots, video footage, name and studio affiliate on all their social media handles and website links, including any marketing materials for that season.

WHY

The Dream Team is an Encore DCS exclusive opportunity! Dancers will train and work in a professional and fast paced environment and will be featured on Encore DCS social media and our website.

DREAM TEAM AUDITION

A Dream Team VIP ticket is awarded to a stand out student at our Grand Finals. This ticket gives the winner a free Convention fee to Encore Extreme and guarantees their spot on the Dream Team.

The remaining Dream Team members are chosen at Encore Extreme each fall through an optional audition process.

The Dream Team Audition is broken up by age division and the number of dancers selected changes each year depending on the concept of the video and theme for the season.

- Dancers must warm themselves up prior to the start.
- Dancers will meet the panel of judges and choreographers.

- Be on time to warm-up and all classes.
- Dress in a way you are comfortable and wear things that make you feel confident.
- Use the restroom, get water and use phones between classes.
- Try your hardest in all classes! Even if the style is unfamiliar, do your best to stay active, present and positive.
- Avoid sitting down while other “groups” are showcasing choreography or combos in class.
- Avoid dancing in designated performance spaces while others are dancing or going across the floor.
- Avoid talking to friends and observers.
- Follow instructions given by Encore Faculty and Staff.
- Ask relevant questions to the current class and movement.
- Have fun!

OBSERVER ETIQUETTE

We are happy to present an observer band option for our convention classes at an additional cost. This can be purchased ahead of time through your studio or on site in the lobby. Bands are checked by door monitors for each room. Here's how to make your experience a success.

- Stay in the designated observer areas.
- No talking while class is in session.
- If your dancer or a dancer from your studio is in the room you are observing, help Encore staff by assisting those dancers with bathroom breaks, injuries and encourage them to stay quiet and respectful during classes.
- Stay in designated filming areas when video taping combos.
- No **flash** video or photography.
