EXPERIENCE

We offer classes that are unique to the Encore Extreme Experience, such as: audition prep, dancing for the camera and more! In addition, you can kick off your season with our Solo Title Competition or our group battle experience with LIVE feedback from our judges.

OPPORTUNITIES

With options to compete, take class and audition for Dream Team- we have every avenue covered for your dancers. Plus, we offer teacher/parent classes, a teacher brunch and an incredible closing showcase featuring awards and special performances.

WHAT WE VALUE

ENCORE EXTREME

TITLE COMPETITION

Dancers who participate in our solo competition are automatically entered to compete for the title of “Mr. and Miss Encore Extreme”. This is how we determine our winners:

- Solos are adjudicated on one level of competition. All styles compete for the same overall title.
- The adjudicated score accounts for 80% of their title score.
- Dancers are observed in classes for technique, retention, effort and class etiquette. This accounts for 20% of their title score.
- Friday night classes and the last class on Sunday are not used towards scholarship or title determination.
- Titles are broken down based on age divisions, similar to our regionals.
- The dancers with the HIGHEST scores are named our overall winners and can come from any age division.
- Title winners will be ineligible for competing for title the following year at Encore Extreme. Winners will receive a scholarship to attend Encore Extreme free of charge and are invited to be an Encore Extreme Class Assistant!

ENCORE EXTREME

GROUP COMPETITION

We invite you to kick off your season by entering your group routines into our group showdown.

- Duet/Trios and Groups of any size are welcome. Productions are the only exclusion.
- You can enter up to 2 duos/trios/groups per age division. Group competition size is limited.
- All genres are welcome.
- After each group performance, dancers are invited back on stage for LIVE judges feedback.
- Adjudications and overall awards will be presented.
- The highest scoring group routine will receive \$1000 cash prize and will be invited to perform in our closing show on Sunday.

DREAM TEAM

MISSION

WHO

We select talented and well rounded dancers who fit the vibe and aesthetic of each season's theme. Prior participation on Dream Team does not guarantee future selection. Not only do we look for talented dancers, but those who represent the qualities of Encore DCS: kind, hard-working, passionate and hungry for dance. Dancers who audition for the Dream Team are observed both on and off the stage and must attend 75% of the convention classes that weekend. The dancers selected for Dream Team give Encore permission to post their headshots, video footage, name and studio affiliate on all their social media handles and website links, including any marketing materials for that season.

WHY

The Dream Team is an Encore DCS exclusive opportunity! Dancers will train and work in a professional and fast paced environment and will be featured on Encore DCS social media and our website.

DREAM TEAM AUDITION

A Dream Team VIP ticket is awarded to a stand out student at our Grand Finals. This ticket gives the winner a free Convention fee to Encore Extreme and guarantees their spot on the Dream Team.

The remaining Dream Team members are chosen at Encore Extreme each fall through an optional audition process.

The Dream Team Audition is broken up by age division and the number of dancers selected changes each year depending on the concept of the video and theme for the season.

What to Expect:

- Dancers are required to pay an audition fee of \$25.
- Dancers are required to bring an 8x10 Headshot.
- The back of the headshot must include: Name, Age, Studio, Parent Email and Phone Number, Dancer Measurements (waist, bust, hips, girth), Social Media Handles & Encore Regional Event Locations (which events they traveled to in the 23/24 season).
- Dancers must plan to attend the entire audition.
- Dancers must warm themselves up prior to the start.
- Dancers will meet the panel of judges and choreographers.
- Dancers will learn a combination and perform in small groups.
- Dancers who make the first cut of the audition will be asked to slate (say name, age and studio to a camera) and improv.
- Dancers who are selected as a finalist will perform in the closing show that weekend.
- The Dream Team will be announced on Instagram within 2 weeks of the final Encore Extreme Convention
- Dream Team Members are expected to participate in the filming, January 2025. A participation fee of \$150 will be due in November. Members will receive a detailed email with information, costumes, etc prior to filming.

Audition Classes:

The main focus of “The Audition Process” is to educate these young dancers on how to behave, look, act and perform during an audition. Students will learn audition etiquette, tips, combinations, and will participate in a “mock” audition process. This is not the official Dream Team audition.

Dream Team Selection:

Encore DCS is proud to offer an amazing opportunity for advanced dancers to be cast in a one-of-a-kind promotional video and become a member of the Encore DCS Dream Team! All Encore Extreme participants age 9 and over are eligible to audition for the Dream Team.

Students interested in being a part of the dream team will participate in a separate Dream Team Audition at Encore Extreme. (Date and Time listed on final event schedule.)

- Students must bring a printed 8x10 headshot and \$25 cash audition fee. This should be submitted to the registration desk by Saturday at 1:00 PM.
- Headshots will not be returned.
- Headshots must have one of the student's Extreme nametag labels on the back along with age, parent email address, parent phone number, sweatshirt/hoodie size (CM, CL, AS, AM, AL, etc.), list of 2023/2024 Encore Regional and/or National events the student attended, and measurements. Females should include measurements in inches for bust, waist, hips and girth. Males should include chest, waist, inseam, and dress jacket size.
- Email will only be used for communication if your dancer is selected to be on the Dream Team. Measurements are not a determining factor for selection and will only be used for costuming purposes if your dancer is selected to be on the Dream Team.
- Extreme nametags must be worn in auditions and placed front and center on the dancer's chest. Please keep this in mind when choosing dancewear for the audition.
- Dancers should attend 75% of the classes at Encore Extreme.
- Finalists will be announced at each Encore Extreme event and the final Dream Team cast will be announced on Instagram November 4 at 6:00 PM EST.

Factors for Dream Team consideration:

- Performance in the Dream Team Audition
- Jazz, Hip Hop, Contemporary and/or Tap Technique
- Ability to stand out in the crowd
- Commercial look/feel and potential to work with a camera
- Positive attitude and hard work ethic
- Dream Team members are also ambassadors of our company and the faculty will look for students who are welcoming to others and courteous/encouraging in class.

Dream Team auditions are optional and are closed to teachers and observers. Students must be 9 by October 20, 2024 in order to audition. Students that have already graduated high school are not eligible for Dream Team. The only exception to this rule is for students that are competing the full regional year for 2024-25.

Students chosen for this experience will be choreographed, staged and featured in a video to create a new advertising campaign for Encore DCS in North Carolina or South Carolina January 18-19, 2025 (tentative date.) Please do not audition if you are not able to participate in the filming. The fee to participate in Dream Team is \$150 and includes a Dream Team Hoodie, costume, professional headshot, and professional makeup for the shoot.
