***Please note this is a tentative schedule and is subject to change. A customized schedule with individual performance times for each entry will be emailed to all studios by WEDNESDAY, JANUARY 27. The deadline for changes is FRIDAY, JANUARY 29 and can be emailed to [susan@encoredcs.com](mailto:susan@encoredcs.com). Students should be prepared to compete up to 30 minutes ahead of their scheduled performance time. We recommend watching livestream to stay up to date on the pace of the event as awards may sometimes start earlier than planned!***

***Group Competition guidelines - There will be a limited number of studios in the building for each session of group competition and the auditorium will be sectioned off so that each studio will have a separate seating area with standing room available in the back. We strongly encourage a maximum of 2 spectators per dancer. For group awards, we kindly ask each studio to select one representative from each routine to represent you on stage and there will be a designated area on stage for each studio.***

***As always, we offer livestream of all performances and awards ceremonies! We invite and encourage family and friends to watch online, especially the elderly, high risk individuals or those with underlying health conditions.***

***Dressing room space will be assigned and each studio will have a designated area. We ask that only one adult accompany each child in the dressing room, with no additional siblings or friends. If possible, we encourage students over the age of 12 to help each other with quick changes so we can limit the number of people in the dressing room.***

***Masks or facial coverings are required by the venue for all spectators and staff. Students are not required to wear masks when they are performing on stage, but should wear one at all other times.***
