Please note this is a tentative schedule and is subject to change. A customized schedule with individual performance times for each entry will be emailed to all studios by FRIDAY, JUNE 19. The deadline for changes is MONDAY, JUNE 22 and can be emailed to susan@encoredcs.com. Students should be prepared to compete up to one hour ahead of their scheduled performance time.

Group Competition guidelines - There will be a limited number of studios in the building for each section group competition and the auditorium will be sectioned off so that each studio will have a separate seating area with standing room available in the back. For group awards, we kindly ask each studio to select one representative from each routine to represent you on stage and there will be a designated area on stage for each studio.

As always, we offer free livestream of all performances! We invite and encourage family and friends to watch online, especially the elderly, high risk individuals or those with underlying health conditions. Visit www.livestream.com/encoresouth to view the competition!

Dressing room space will be assigned and each studio will have a designated area. We ask that only one adult accompany each child in the dressing room, with no additional siblings or friends. If possible, we encourage students over the age of 12 to help each other with quick changes so we can limit the number of people in the dressing room.

Our backstage staff will be wearing masks at all times. At this time masks are not a requirement for participants or spectators as masks are only a recommendation. We will leave this choice up to the individual and respect everyone's personal choice.
