Please visit the Competition Information link on the Grand Finals section of our website for more details and other important information! Times listed are tentative and students should be prepared to compete up to 30 minutes ahead of their scheduled time. Each studio will be assigned a “meeting space” to gather for warming up for one hour prior to the start of your group session. You will not be able to enter your dressing room until the previous group session ends to ensure there is plenty of time for us to sanitize the space
