The deadline for changes is MONDAY, OCTOBER 12 and can be emailed to [susan@encoredcs.com](mailto:susan@encoredcs.com). Students should be prepared to compete up to one hour ahead of their scheduled performance time. We recommend watching livestream to stay up to date on the pace of the event as awards may sometimes start earlier than planned!***

***Group Competition guidelines - There will no more than four studios in the building for each section of group competition and the ballroom will be sectioned off so that each studio will have a separate seating area with standing room available in the back. We ask that after your child has performed that you consider exiting the ballroom to make room for others.***

***For group awards, we kindly ask each studio to select one representative from each routine to represent you on stage and there will be a designated area on stage for each studio.***

***Dressing room space will be assigned and each studio will have a designated area. We ask that only one adult accompany each child in the dressing room, with no additional siblings or friends. If possible, we encourage students over the age of 12 to help each other with quick changes so we can limit the number of people in the dressing room.***

***As always, we offer free livestream of all performances! We invite and encourage family and friends to watch online, especially the elderly, high risk individuals or those with underlying health conditions. Visit [www.livestream.com/encoresouth](http://www.livestream.com/encoresouth) to view the competition!***
