

ENCORE DCS

2022 Divisions, Categories, Judging Criteria and Awards

Levels:

Shining Star: NEW this year: An inclusive level for students with intellectual and/or development disabilities. Overall winners in this level are eligible for Gift Certificates.

Recreational: For those students who participate in dance class and/or extra rehearsals up to 3 hours per week. This provides a less intimidating approach to the competitive experience for those dancers new to competitions or who have less experience. Recreational Overall winners are eligible for Gift Certificates, but ineligible for cash awards. Students in more than 5 duet/trio or group routines cannot enter a Recreational Solo and must move to competitive for a solo. Recreational duet/trio and group routines cannot contain Elite soloists. (This rule does not apply to productions.) **NEW this year:** Dancers that compete more than one solo must compete in the Competitive or Elite Division.

Competitive: For students that participate in class and/or extra rehearsals for 3-6 hours per week. Competitive Overall winners are eligible for Gift Certificates, but ineligible for Cash Awards.

Elite: Our Elite division is for Junior, Teen and Senior students who participate in class and extra rehearsals for more than 6 hours a week. Elite dancers are the only dancers eligible to receive our Prestigious "Mic Drop" Award. Elite Overall winners are eligible for Gift Certificates and/or Cash Awards.

NEW this year: Only Elite overall winners and members of the Dream Team (selected at Encore Extreme in the fall) will be invited to perform in the Grand Finals Gala Opening Number. The following Elite Overall winners are invited to participate in this advanced number:

1st, 2nd and 3rd Overall Solos, Super Solos, Duet/Trios and Title Winners. Only students announced on stage as 1st, 2nd or 3rd are eligible for the Opening number.

Pro-Am: Any routine containing a professional must compete in the Pro-Am age division. A professional is defined as any person 20 years of age or older who is or has ever been a teacher, assistant teacher, or professional dancer. A group division containing only one professional forces that group division to compete in Pro-Am. Pro-Am entries are ineligible for cash awards.

Mini and Petite entries cannot compete in the Elite level. Duet/Trios and Groups containing a combination of recreational, competitive, and elite dancers should be entered in the division in which the majority of the dancers fall. Any division changes must be made by teachers prior to the first day of competition. Because dance competitions have no way of knowing how many hours a week a student trains, placement is ultimately left to the teacher's discretion.

Age Divisions:

Mini: 5 & Under

Petite: 6-8

Junior: 9-11

Teen: 12-14

Senior: 15-16, 17-18

Adult: 19-24, 25-39, & 40 & up

Every category with 10 or more entries will be split into smaller age brackets. All ages for Regionals and Grand Finals are determined as of January 1, 2022. For Duet/Trios and Groups, the average age determines the age division into which you fall. Drop the decimal point when averaging the ages, i.e., an age average of 12.5 would compete in the 12-year-old division.

Categories and Acrobatic Tricks:

Performance Categories include: Tap, Jazz, Ballet, Pointe, Lyrical, Contemporary, Clogging, Musical Theater, Character, Gymnastics, Folkloric, Modeling, Baton, Pom Pom, Liturgical, Modern, Hip Hop, Open, AcroJazz, Song & Dance and Vocal. Vocals are allowed only in Song & Dance and Vocal.

Photogenic entries are accepted only at Nationals. Photos should be 8x10 and must be submitted at the event.

Acrobatic Tricks: An acrobatic trick consists of a complete 360-degree rotation of the body with head inverted or a pass containing multiple gymnastic moves (excluding shoulder rolls.) Unlimited tricks are allowed only in Gymnastics, Character, Open, Pom Pom, Musical Theater, AcroJazz, Hip Hop, and Contemporary. All other categories are limited to 3 acrobatic tricks. Routines that contain more than 3 tricks will be automatically moved to the correct category. If multiple students perform the same trick at the same time, it only counts as ONE trick. All passes with multiple tricks are counted as ONE trick.

Group Divisions & Time Limits:

Solo & Duet/Trios - 3-minute maximum

Small Group {4 – 9 dancers} 4-minute maximum

Large Group {10 – 16 dancers} – 4-minute maximum

Super Group {17 or more dancers}– 4:30 maximum

Productions {unlimited dancers} – 9-minute maximum.

*There will be a 10 second grace period for all routines. Extended time is permitted in all divisions at a rate of \$5/person for every minute over the time limit. Routines that have not purchased extended time are subject to a 1 point deduction per judge for every minute over the time limit.

Judging:

All entries will be judged based on a point system by a minimum of three qualified judges. Judging is based on Technique, Showmanship, Musicality, and Overall Appeal (25% each). If a tie in scoring occurs, the tie will be broken based on Technique scores followed by Overall Appeal, Musicality, and then Showmanship. In the event a tie still exists, the judges will make the final decision. Judges reserve the right to move entries to proper category for judging if improperly registered. A minimum point requirement of 240 points must be met to receive 1st place in the event that only one entry is registered for that category.

Super Solo and Title Competition:

Super Solo - Students who perform more than 1 solo must be entered in the Competitive or Elite Division and will be placed in our "Super Solo" Overall Awards. The highest two solo scores for each Super Solo are averaged to determine the Super Solo score for overall placement. ALL Super Soloists will be recognized with a special award. Students performing only one solo per competition will be judged separately for Overall awards only and will compete for the Top Soloist in every age division. Vocal, Song and Dance and Modeling categories are excluded from Super Solo.

Regional Title Competition – Soloists are now eligible to compete for Title Winner for an additional charge. Regional Title scores are based on Showmanship and Overall Appeal. **NEW this year:** all genders are combined. One Title winner will be announced in each level and age division. For example, there will be a Recreational Junior Title Winner, Competitive Junior Title Winner and Elite Junior Title Winner. Only one solo per student is eligible for Title competition.

“Solo Title Entry” must be checked on the registration form to compete for title. Vocal entries are ineligible for Title. There are TWO ways to compete for Title:

1) If a student competes only one solo they would be eligible for Title Winner AND regular Overall Solo awards.

2) If a student competes multiple solos, they would be eligible for Title Winner (by selecting just one of their solos to compete for title) AND their top two scores would go into the running for Overall Super Solo.

National Title Competition –Solo scores of Overall Appeal and Showmanship will determine placement. The Top 20 students in each age division will be announced and a Top 10 will be asked to improv on stage. The Top 5 will be asked an on-stage question. Scores for National Title winners will be calculated by starting with each student’s solo title score (the combination of showmanship and overall appeal.) Students will receive up to 10 additional points for Improv and if they make the Top 5 they can receive up to 10 points for the question portion. Dancers will be ranked from lowest to highest based on their cumulative title, improv and on-stage question scores.

Trophies & Awards:

*Every routine will receive a Mic Drop, Diamond, Platinum, High Gold, or Gold recognition in addition to 1st-5th placements. The prestigious “Mic Drop” award is reserved for routines competing in the Elite Division.

*Every category with 10 or more entries will be split into smaller age brackets based on the student’s birthdate or average age. Detailed information on awards can be found on our awards page.

Photos and Videos:

Encore DCS is excited to include photos and videos of each routine with entry fees. Media will be available via digital download within five business days of the event. Passwords for downloads will be provided to all teachers that have paid in full. Teachers will be responsible for distributing the studio password to parents and students. To locate photos after the event, visit our website, click the city you attended, and click on the link for Photo or Video.

Refunds will only be provided in the event that a competition is cancelled due to the COVID-19 pandemic.
5. We do not accept independent entries. Each studio is required to bring a minimum of two performing individuals. A dance studio attending the competition must support each entry. This

rule does not apply to soloists that qualify for Nationals. Independent dancers can register for Encore Extreme convention classes, but must be registered under a studio name if competing in the solo competition.

6. Gift certificates and scholarships for Encore DCS and Encore Extreme are NOT interchangeable and can only be used at the event listed on your certificate.
