Locations:

Columbia, SC Columbia Metropolitan Convention Center October 21-23

In Columbia, SC NO outside food or beverages are allowed in the venue (other than personal water bottles for dancers.) The convention center is very strict about this policy and will ask you to throw away outside food if they see it. Concessions will be available in the venue for your convenience!

Convention Guidelines:

Teacher wristbands and nametags will be mailed to studios that have more than 5 participants. These should be distributed to students before arriving at the venue. For students that are coming on their own or studios that have less than 5 participants, materials can be picked up in the lobby. Registration times will be noted on the final schedule.

When arriving at the venue students should report to the ballroom assigned for their warm up. Individual students do not need to check in at the registration desk. Any registration issues should be handled by teachers.

Parents or guardians must purchase an Observer Pass in order to watch class. Observer passes are available for purchase for \$40 at the event. Observer passes allow access to all ballrooms. However, parent observers will not be allowed to observe The Audition Process or the Dream Team Audition.

New this year: Volunteer as a Parent Door Monitor and you will be given a free observer pass for the entire weekend and an Encore DCS t-shirt. Parent Door Monitors kindly check for observer passes as parents enter the ballroom. You will be seated inside the door of the ballroom and will be assigned a time slot based on the availability you provide. Positions will be filled on a first come first serve basis while also considering availability.

Columbia google forms must be submitted by October 14. Please visit the following link to submit an interest form:

All students are eligible for **scholarships!** Faculty will select students to receive full and partial scholarships to Encore Extreme and Encore DCS competitions. These awards will be announced at the Closing Show and Awards on Sunday.

Audition Classes:

The main focus of “The Audition Process” is to educate these young dancers on how to behave, look, act and perform during an audition. Students will learn audition etiquette, tips, combinations, and will participate in a “mock” audition process. This is not the official Dream Team audition.

Dream Team Selection:

Encore DCS is proud to offer an amazing opportunity for advanced dancers to be cast in a one-of-a-kind promotional video and become a member of the Encore DCS Dream Team! All Encore Extreme participants age 9 and over are eligible to audition for the Dream Team.

Students interested in being a part of the dream team will participate in a separate Dream Team Audition at Encore Extreme. (Date and Time TBA with final schedule.)

NEW this year for Dream Team auditions:

- Students must bring a printed 8x10 headshot and submit it to the registration desk prior to the audition. The registration desk will be accepting headshots on Friday night and Saturday morning until 11:00 AM.
- Headshots will not be returned.
- Headshots must have one of the student’s Extreme nametag labels on the back along with age, parent email address and measurements. Females should include measurements in inches for bust, waist, hips and girth. Males should include chest, waist, inseam, and dress jacket size.
- Email will only be used for communication if your dancer is selected to be on the Dream Team. Measurements are not a determining factor for selection and will only be used for costuming purposes if your dancer is selected to be on the Dream Team.
- Extreme nametags must be worn in auditions and placed front and center on the dancer’s chest. Please keep this in mind when choosing dancewear for the audition.
- Finalists will be announced at each Encore Extreme event and the final Dream Team cast will be announced on Instagram live on Sunday, October 30 at 6:00 PM EST.

Factors for Dream Team consideration:

- Performance in the Dream Team Audition
- Jazz, Hip Hop, Contemporary and/or Tap Technique
- Ability to stand out in the crowd
- Commercial look/feel and potential to work with a camera
- Positive attitude and hard work ethic
- The styles of jazz, hip hop, contemporary and tap are emphasized because these are the genres that will be highlighted in our 2023 video. Dream Team members are also ambassadors of our company and the faculty will look for students who are welcoming to others and courteous/encouraging in class.

Dream Team auditions are optional and are closed to teachers and observers. Students must be 9 by October 22, 2022 in order to audition. Students that have already graduated high school are not eligible for Dream Team. The only exception to this rule is for students that are competing the full regional year for 2022-2023.

Students chosen for this experience will be choreographed, staged and featured in a video to create a new advertising campaign for Encore DCS in Columbia, SC January 14-15, 2023. Please do not audition if you are not able to participate in the filming. The fee to participate in Dream Team is \$125 and includes a Dream Team Hoodie, costume, professional headshot, and professional makeup for the shoot. If chosen, the deadline for submitting payment is November 5.

General Competition Guidelines:

As always, we offer free livestream of all performances! The competition is open for all spectators and observer passes are not needed to watch the competition.

Dressing room space will be assigned and each studio will have a designated area. We ask that only one adult per child is in the dressing room, with no additional siblings or friends. If possible, we encourage students over the age of 12 to help each other with quick changes so we can limit the number of people in the dressing room.

All competition music should be uploaded to your Dance Comp Genie account prior to the event. We will no longer accept USB or CD's at the event.

Photos and videos of all routines are included with entry fees and can be accessed from home within five days following the competition via digital download. Parents will not need to view or purchase photos or videos at the event.

Rules concerning tricks, categories, etc from Encore DCS competitions apply to Encore Extreme and can be found at www.encoredcs.com.
