

2025-2026 Divisions, Categories, Judging Criteria and Awards

(updated August 2025)

Levels:

Shining Star: An inclusive level for students with intellectual and/or developmental disabilities.

Recreational: For those students who participate in dance class and/or extra rehearsals up to 3 hours per week. This provides a less intimidating approach to the competitive experience for those dancers new to competitions or who have less experience. Recreational Overall winners are not eligible for Gift Certificates or cash awards. Recreational duet/trio and group routines cannot contain Elite dancers. (This rule does not apply to productions.) Dancers that compete more than one solo must compete in the Competitive or Elite Division.

Competitive: For students that participate in class and/or extra rehearsals for 3-6 hours per week. Dancers that compete more than one solo should be entered in the competitive or elite division. Competitive Overall winners are eligible for Gift Certificates, but ineligible for Cash Awards. The highest adjudication a competitive routine can receive is a Diamond. Students striving to achieve a Mic Drop should enter the Elite division.

Elite: **New this year:** *Petite dancers can now be classified as Elite.* Our Elite division is for Petite, Junior, Teen and Senior students who participate in class and extra rehearsals for more than 6 hours a week. Elite dancers are the only dancers eligible to receive our Prestigious “Mic Drop” Award. Elite Overall winners are eligible for Gift Certificates and/or Cash Awards. Elite dancers cannot compete in recreational duet/trios or groups (other than productions.) Only Elite overall winners and members of the Dream Team (selected at Encore Extreme in the fall) will be invited to perform in the Grand Finals Gala Opening Number.

The following dancers from the current year are invited to participate in this advanced number:

Elite Division 1st, 2nd, and 3rd Overall Solos and Super Solos

All Elite Division 2nd runner up, 1st runner up and Title winners

Elite Division 1st overall duet/trios

Dream Team Members for the current year

Please note that a minimum number of participants are required at regionals in order for a 1st, 2nd, and 3rd place winner to be announced. Only students announced at regionals as 1st, 2nd or 3rd (as explained above) are eligible for the opening number. Students ages 9 and over that did not pre-qualify are invited to audition at Grand Finals to be a part of the Opening Number.

Pro-Am: Any routine containing a professional must compete in the Pro-Am age division. A professional is defined as any person 20 years of age or older who is or has ever been a teacher, assistant teacher, or professional dancer. A group division containing only one professional forces that group division to compete in Pro-Am.

Additional rules concerning levels:

****If a dancer is in more than 6 routines, they cannot be categorized as recreational and must be listed as a competitive dancer.***

****If a dancer is in more than 10 routines, they cannot be categorized as recreational or competitive and must be categorized as an elite dancer.***

****Dancers that compete more than one solo must compete in the Competitive or Elite division.***

****No more than 40% of the dancers in a duet/trio or group routine can be dancers from a higher level. For example, if there are 10 dancers in a recreational routine, a maximum of 4 of them can be competitive level dancers.***

New in 2026 - Level Bump Rule: *If a dancer competes their solo in the recreational or competitive level and 2/3 of the judges panel feel they should be competing in a higher level, the routine will be bumped to the next highest level. This dancer will be announced at awards with the level they were bumped to. This dancer will be allowed to place in the overalls, but only in terms of a tie. Wherever the dancer's score would place them in the overalls they will tie the dancer who is registered for that level. Example: Dancer A registers a competitive solo, judges determine she is elite and bump her up, her score would place her 3rd overall in the elite division, she will tie for 3rd with Dancer B who registered elite and has the 3rd highest elite solo score.*

Because dance competitions have no way of knowing how many hours a week a student trains, placement is ultimately left to the teacher's discretion. However, if 2/3 judges on the judges' panel see repeated elements of a higher level, they reserve the right to move the routine to the next highest level. In addition, Encore DCS will have a "head judge" at each event. This judge will be responsible for making sure rules are being followed and for alerting the auditor if the panel feels that the routine should be bumped to another level.

Age Divisions:

Mini: 5 & Under

Petite: 6-8

Junior: 9-11

Teen: 12-14

Senior: 15-16, 17-18

Adult: 19-24, 25-39, & 40 & up

All ages for Regionals and Grand Finals are determined as of January 1, 2026. For Duet/Trios and Groups, the average age determines the age division. Drop the decimal point when averaging the ages, i.e., an age average of 12.5 would compete in the 12-year-old division.

Categories and Acrobatic Tricks:

Performance Categories include: Tap, Jazz, Ballet, Pointe, Lyrical, Contemporary, Clogging, Musical Theater, Character, Gymnastics, Folkloric, Baton, Pom Pom, Liturgical, Modern, Hip Hop, Open, AcroJazz, Song & Dance and Vocal. Vocals are allowed only in Song & Dance and Vocal.

Photogenic entries are accepted only at Nationals. Photos should be 8x10 and must be submitted at the event.

Acrobatic Tricks: An acrobatic trick consists of a complete 360-degree rotation of the body with head inverted or a pass containing multiple gymnastic moves (excluding shoulder rolls.) Unlimited tricks are allowed only in Gymnastics, Character, Open, Pom Pom, Musical Theater, AcroJazz, Hip Hop, and Contemporary. All other categories are limited to 3 acrobatic tricks. Routines that contain more than 3 tricks will be automatically moved to the correct category. If multiple students perform the same trick at the same time, it only counts as ONE trick. All passes with multiple tricks are counted as ONE trick.

Group Divisions & Time Limits:

Solo & Duet/Trios - 3-minute maximum

Small Group {4 – 9 dancers} 4-minute maximum

Large Group {10 – 19 dancers} – 4-minute maximum

Super Group {20 or more dancers}– 4:30 maximum

Productions {unlimited dancers} – 9-minute maximum.

*There will be a 10 second grace period for all routines. Extended time is permitted in all divisions at a rate of \$5/person for every minute over the time limit. Routines that have not purchased extended time are subject to a 1 point deduction per judge for every minute over the time limit.

Judging:

All entries will be judged based on a point system by a minimum of three qualified judges. Judging is based on Technique, Showmanship, Musicality, and Overall Appeal (25% each). If a tie in scoring occurs, the tie will be broken based on Technique scores followed by Overall Appeal, Musicality, and then Showmanship. In the event a tie still exists, the judges will make the final decision. Judges reserve the right to move entries to proper category for judging if improperly registered. A minimum point requirement of 240 points must be met to receive 1st place in the event that only one entry is registered for that category.

Super Solo and Title Competition:

Super Solo - Students who perform more than 1 solo must be entered in the Competitive or Elite Division and will be placed in our "Super Solo" Overall Awards. The highest two solo scores for each Super Solo are averaged to determine the Super Solo score for overall placement. ALL Super Soloists will be recognized with a special award. Students performing only one solo per competition will be judged separately for Overall awards only and will compete for the Top Soloist in every age division. Vocal and Song & Dance are excluded from Super Solo.

Regional Title Competition – Soloists are eligible to compete for Title Winner for an additional charge. Regional Title scores are based on Showmanship and Overall Appeal. All genders are combined for title awards. One Title winner will be announced in each level and age division. For example, there will be a Recreational Junior Title Winner, Competitive Junior Title Winner and Elite Junior Title Winner. Only one solo per student is eligible for Title competition.

“Solo Title Entry” must be checked on the registration form to compete for title. Vocal entries are ineligible for Title. There are TWO ways to compete for Title:

1) If a student competes only one solo they would be eligible for Title Winner AND regular Overall Solo awards.

2) If a student competes multiple solos, they would be eligible for Title Winner (by selecting just one of their solos to compete for title) AND their top two scores would go into the running for Overall Super Solo.

National Title Competition – Solo scores of Overall Appeal and Showmanship will determine placement. The Top 10 finalists will be asked to improv on stage. The Top 5 will be asked an on-stage question. Scores for National Title winners will be calculated by starting with each student’s solo title score (the combination of showmanship and overall appeal.) Students will receive up to 10 additional points for Improv and if they make the Top 5 they can receive up to 10 points for the question portion. Dancers will be ranked from lowest to highest based on their cumulative title, improv and on-stage question scores.

Trophies & Awards:

*Every routine will receive a Mic Drop, Diamond, Platinum, High Gold, or Gold recognition. The prestigious “Mic Drop” award is reserved for routines competing in the Elite Division. In addition, the highest scoring routine will be recognized in each category.

*Recreational routines are eligible for plaques and trophies. Competitive level routines are eligible for plaques, trophies, and gift certificates. Elite level routines are eligible for plaques, trophies, gift certificates and cash awards. Detailed information on awards can be found on our awards section of the website.

A credit for another regional competition or Grand Finals for the current year or following year will be issued to the studio in the event that a dancer is unable to perform. Refunds will only be provided in the event that a competition is cancelled.
7. We do not accept independent entries. Each studio is required to bring a minimum of two performing individuals. A dance studio attending the competition must support each entry. This rule does not apply to soloists that qualify for Nationals. Independent dancers can register for Encore Extreme convention classes, but must be registered under a studio name if competing in the solo competition.

(Soloists are limited to one solo at Encore Extreme conventions.)
15. A 5-point deduction will be made for routines that are not completed due to a dancer running off stage. Routines age 11 and under will be offered the opportunity to re-compete if they choose to do so. Routines age 12 and over will receive a 5 point deduction and the opportunity to dance again for adjudication only. This deduction does not apply to routines that are not completed due a technical error or other uncontrollable event not attributable to the dancer's performance.
